USO

The Training Standard of Excellence

USO Mission: “The USO strengthens America’s military service members by keeping them connected to family, home and country, throughout their service to the nation.”

The USO is a non-profit organization that supports all our military branches. We survive by corporate and private donations. The USO provides a wide range of programs and services at our centers and through our military community. We serve our active duty military, dependents and retirees. Our centers are a home away from home where you’ll be greeted with a smile by some of the friendliest volunteers you’ll ever meet. It’s a place where you drop in for a quick snack or cool drink between flights, find a comfy recliner, relax, take a nap or watch a movie, play a game of pool and enjoy the many amenities our centers have to offer.

San Antonio Locations
