

## 737th Training Support Squadron

**Mission Statement:** Provides resource management, training development, individual medical technician support, initial trainee reception and inprocessing, and graduation events support for Air Force basic military training.

**Squadron Lineage:** Constituted the 3705th Training Support Squadron on 29 Jan 1992 and activated on 1 Feb 1992. The squadron was redesignated 320th Training Support Squadron on 25 Aug 1992 and 737th Training Support Squadron on 1 Apr 1994.

Trainees are not assigned to the 737th Training Support Squadron due to the unique support function of its mission.
